

Sons of The American Legion
DETACHMENT OF KENTUCKY

TO: All SAL Members

FR: Tom Riffle, Adjutant
Detachment of Kentucky

With the National Convention upon us another year has come and gone. Our success is because of the devotion that each and every one of you put forth for the betterment of this organization. The goals that we set for ourselves last August are close to being reached. With just A little effort from each and every squadron our membership will reach 100%. The goals for our programs are also nearing completion.

As we conclude this year let's look ahead at next year's programs. Enclosed you will find information on three activities that the Detachment of Kentucky with the support of our Host Squadrons will have available for your enjoyment during the National Convention here in Louisville, Kentucky.

First we are asking Detachments and Squadrons to help sponsor a hole for the golf tournament. As you know to sponsor a hole requires a \$130.00 donation to the CWF. It would also be great if each Detachment would send a four man team to play in the tournament. This would not only give us a great start to CWF but also help with the attendants at the convention. Mr. Fulkerson, Chairman of this event believes he could raise \$20,000.00 if we could get this type of participations.

Reservations for the dinner and dance, to be held Friday night Aug. 26th during the National Convention are now available.

This is a great opportunity for members to meet State and National officers, see old friends and make new ones, and of course enjoy the fun and entertainment. Proceeds from this event will go to the American Legion Children and Youth program.

You also have an application for the Kentucky SAL souvenir pin that will be sold at the National Convention. You may order these pins for your squadron right now. Just use the order form and they will be waiting for you at the convention, or mailed to you right after the Convention. Proceeds from the sale of these pins will go to the John Keys Scholarship Foundation to assist Veterans and SAL members in Kentucky to attend secondary education.

If you have any questions or would like more information on any of these the events please email [tom riffle@ ATT.net](mailto:tom.riffle@ATT.net), or call me at (270)-726-9399. Hope to see each and every one of you at the coming National Convention.

The Respectfully:

Thomas H. Riffle

National SAL Convention Pins Are Available for pre-sale!!

The souvenir pins for the 2009 S.A.L National Convention in Louisville are now available for pre-sale. Pins are \$10 each. The sale of these pins contributes to the John Keys Scholarship Fund. This will help to ensure that Kentucky veterans and Kentucky SAL members have an opportunity to pursue their post secondary education.

The supply is limited and if you wait until the National Convention, there is no guarantee that quantities will be available.

Remember, the Squadron with the largest total donations to the Scholarship Fund during the 2008-2009 program year (pin sales + donations) receives a free room at the National Convention! Payments received for pre-sale pin purchases count towards the Free Hotel Room challenge, but need to be received by the Scholarship Fund before June 1, 2009.

Let's show our members and our Veterans that we care. Buy one for every squadron member. Be sure to buy ones for officers of your Post and Auxiliary! Your actions today will result in the successes of individuals tomorrow.

To order pins, fill out the attached form and mail it with a check made payable to the John Keys Scholarship Fund. Your pins will be waiting for you to pickup at the National convention in Louisville, beginning Friday, August 21st, 2009.
